AGENDA for the training sessions

Erasmus+ Staff Development Programme

State Pedagogical University "I. Creanga"

Chisinau, Moldova

4 - 5th of June, 2018

Facilitators:

James Beardsmore

Lecturer in Higher Education at Kingston University, London

Dr Tania Fonseca

Lecturer in Higher Education at Kingston University, London

Aim:

The overall aim of this workshop is to critical discuss and demonstrate a number of active learning approaches such as problem-solving learning, flipped classroom and technology enhanced learning. Participants are encouraged to be critical and consider how these approaches would benefit and challenges their respective teaching approaches and disciplines. The workshop will culminate in a pragmatic exercise designed to provide participants with a draft framework from which the demonstrated active learning approaches may be promoted within their respective institutions.

Learning Outcomes:

By the end of the workshop, participants should be able to:

- Demonstrate multiple active learning approaches
- Articulate the benefits and challenges of different teaching approaches
- Design a framework for implementing new teaching approaches

Key Parameters:

- The workshop will last approximately 3 hours (with a 30 min break)
- Participation will be limited to a maximum of 25 people at a time to allow for interaction and participation
- Excellent knowledge of spoken English is a necessary pre-requisite for participation
- A smart phone will be necessary for some of the workshops activities

In preparation for the workshop:

- 1) Please read the provided journal article on the flipped classroom.
- 2) Download the mobile app *Snapchat*.
